EDUCATION

University of California, Los Angeles

Bachelor of Science in Statistics and Data Science, Minor in Creative Writing

Los Angeles, CA

Expected Jun 2029

- Current GPA: 3.83/4.0
- Relevant coursework: Statistics 13, Life Science 7A, Environment 10; currently enrolled in Statistics 20, EPS SCI 15

Shorewood High School

High School Diploma

Shoreline, WA

Jun 2025

- Academics: GPA 3.99/4.0, SAT 1540/1600
- Activities and Honors: National Merit Scholarship Finalist, Shoreline Rotary Club Student of the Month, Dean's List, Top 5% of Graduating Class

PROJECTS

Breast Cancer Subtyping from Gene Expression (*R*, *limma*-*voom*, *ggplot2*)

- Analyzed ~1,200 TCGA RNA-seq samples in R, reproducing the established four-subtype molecular classification via differential expression and unsupervised clustering
- Extended the analysis to test whether long non-coding RNAs recover the same subtype structure as protein-coding genes, quantified with adjusted Rand index
- Built a fully reproducible, version-controlled analysis pipeline

Urban Coyotes in California (*R*, *sf*, *Quarto*)

- Analyzed ~24,000 GBIF wildlife observation records in R, examining urban vs. non-urban patterns across geography, time, and season
- Performed spatial classification using the *sf* package and U.S. Census boundaries
- Authored a reproducible report in Quarto, addressing the limits of citizen-science data

EXPERIENCE

Cru & The Navigators – Christian Ministries

Worship Team Member

Los Angeles, CA

Sep 2025 – Present

- Serve weekly on the Cru worship team for large-group gatherings
- Selected for the Doulos leadership development program with The Navigators (2026–2027)

UCLA Intramural Sports

Team Member

Los Angeles, CA

Sep 2025 – Present

- Fall Ultimate Frisbee champions; Spring Flag Football finalist

Shorewood High School – Associated Student Body

Student Body Vice President

Shoreline, WA

Sep 2023 – Jun 2025

- Planned and MCed school assemblies, dances, and service projects
- Directed Shorewood High School Lip Dub
- Engaged in district-wide presidents' meetings and ASB conventions

ADDITIONAL INFORMATION

- Technical Skills: R (*dplyr*, *ggplot2*, *sf*, *limma*), Quarto, Git/GitHub, Google Workspace; data cleaning, clustering, exploratory data analysis
- Interests: Music (Guitar, Bass), Theology, Reading, Triathlon, Rock Climbing
